

## **OpenEdge Advanced Business Language- APPLICATION DEVELOPER**

### **THE POSITION**

The OpenEdge ABL Application Developer extends and optimizes the software for one of the homebuilding industry's most renowned ERP solutions with responsibilities that include:

- Following existing coding standards and development best practices
- Enhancing and extending existing OpenEdge ABL programs to enhance the customer experience, adapt to new requirements, and increase operating efficiency as required
- Determining resolutions to identified customer software issues and identified bugs
- Analyzing programs for logic and conformance to written specifications and standards
- Working within deadlines in relation to product release timelines
- Other duties as assigned by management

The OpenEdge ABL Application Developer is stationed within our Markham Ontario office and is a talented, self-directed and self-motivated individual with strong technical skills and demonstrated verbal and written skills. This candidate will produce high quality, reliable, and testable OpenEdge ABL code and implement complex enterprise grade computer application programs. Additionally, this candidate will enjoy collaborating with team members to troubleshoot customer and industry issues, applying due regard for the efficient use of computing resources.

### **QUALIFICATIONS**

- General skills and knowledge
  - Aptitude to learn programming languages quickly
  - A self-motivated, organized, and reliable individual, with the ability to produce quality work in a timely manner
  - Comfortable and effective in working with others and independently
  - Excellent analytical, problem solving, and multi-tasking skills
  - Strong English verbal and written communication skills
- Specialized skills and knowledge
  - Designing efficient and complex Microsoft SQL queries
  - Preferred technology: OpenEdge ABL
  - Other helpful technologies: C#, ASP.NET, HTML and internet standards, XML

### **WHAT YOU'LL LOVE ABOUT US**

- Doing work that has a direct impact to customers and an industry
- Working with a team of confident, self-starting, and persistent people with visible passion
- Opportunity to work outside of one's comfort zone and within the thrill of a fast paced environment
- Corporate bonus program
- Great health and dental insurance benefits
