

PROGRAM MANAGER
Constellation HomeBuilder Systems
Markham, ON

THE POSITION

The successful Program Manager works to plan and deliver complex enterprise-grade Sales solutions for Homebuilders. The Program Manager is the bridge that spans our organization and is the hub for planning, communication, and software delivery results. Responsibilities include:

- Working closely with stakeholders to understand their desires, obstacles, and use cases very well, and to serve as their representative in internal conversations
- Caring deeply about user experiences, implementations, and the ongoing operational success that turns a product that customers need, into a product they want for life
- Communicating and decoding information for stakeholders
- Managing the Design Studio and NEWSTAR Sales product teams to produce designs, applications, test strategies and results, and the documentation that all stakeholders require upon product release.
- Working closely with management to convey and negotiate our product strategy, prepare project progress reports, and deliver presentations
- Doing whatever it takes to make the product or service useful, exciting, and successful

QUALIFICATIONS AND SKILLS

- Deep insight and contagious passion for software and their related business processes
- Ability to translate product vision into action
- Ability to elicit and confirm requirements from stakeholders
- Aptitude to understand others and make them feel understood
- Experience in the home building industry
- Understanding of software implementation strategies, with the skill to foster a high performing software delivery team
- Skilled in establishing and tracking to delivery schedules
- Experience in making their teams, products, and implementations successful
- Careful attention to detail

WHAT YOU'LL LOVE ABOUT US

- Standard working day is North American Eastern time zone business hours
- Doing work that has direct impact to customers and an industry
- Working with a team of confident, self-starting, and persistent people with visible passion
- Opportunity to work outside of one's comfort zone and within the thrill of a fast paced environment
- Corporate bonus program
- Great health and dental insurance benefits
